MRS. J. M. BALCAEN
President M.L.C.A.

Back in 1930 Mrs. J. M. Balcaen took up the game of curling in the Town of Selkirk. When she moved to Lac du Bonnet she enthusiastically continued to curl there. Later the family moved to Fort Garry and Mrs. Balcaen became a charter member of the Pembina Ladies' Curling Club when it was founded in 1948. She is a past-president of the Pembina Ladies' Curling Club. After being elected to the Executive Council of the M.L.C.A. she became in turn Chairman of Ice and Draw, Year Book, Finance, Prize and Playdown Committees. Following her election as 2nd and 1st Vice-President, she was elected President for 1961-62. She has been an enthusiastic supporter of the M.L.C.A. bonspiel for the past 32 years and also of local 'spiels, especially Selkirk and Lac du Bonnet.

PRESIDENT'S MESSAGE

As President of the Manitoba Ladies' Curling Association, it is my privilege and pleasure to extend greetings, on behalf of the Executive and Executive Council, to all members and friends of our association.

This year, we are looking forward to a record entry of member clubs in the Provincial Playdowns for the Silver "D" Trophy, being sponsored by Dominion Stores Limited for the second year. We hope that all participants will have many enjoyable games.

Our 38th Annual Bonspiel is being held February 12th through 16th at which time we hope to have the pleasure of renewing many old friendships and extending a welcome to new curlers. May you curl skillfully, enjoy keen competition, but most of all enjoy the spirit of good fellowship and goodwill that is so much a part of the grand old game of curling.

My sincere thanks and grateful appreciation to all those who have worked and continue to work so hard in a combined effort to make this a memorable year.

KAY BALCAEN, President,

A TRIBUTE

Mrs. W. A. Rowlands
First President

Just exactly when the fairer sex took up the game of curling in and around Winnipeg, no one seems to know now. We do know however, that women were participating in the "Roarin' Game" at the turn of the century. Some played on mixed teams in small bonspiels. Inevitably this led to women forming their own clubs. Then they were able to play all positions including that of skip. Special competitions and inter-club games were the order of the day. Prizes for these 'spiels often cost less than a quarter apiece but they were treasured possessions of those winning them.

In the early "roaring Twenties" women curlers were organized at the club level only. A women's event was held in conjunction with the M.C.A. Bonspiel. On January 28, 1924 a meeting of representatives from Winnipeg clubs was held in the office of Mr. W. A. Rowlands to form a women's curling association. Unfortunately

the names of those attending and the clubs they represented were not recorded. Those present elected Mrs. W. A. Rowlands of the Granite as president, and Miss Bea Gunn of Elmwood, as secretary pro-tem. Both these ladies were confirmed in their positions at a later meeting when the Manitoba Ladies' Curling Association was formally organized with eight affiliated clubs and an unknown number of members.

The ladies, who were active at the birth of the M.L.C.A., remained to nurse it through its early stages and to help it over its growing pains. Miss B. Gunn (later Mrs. F. W. Brownbridge) remained as secretary for twenty years until failing health did not permit her continuing. Mrs. W. A. Rowlands was unable to continue as an active curler but her interest in curling and the M.L.C.A. did not lag. She saw the M.L.C.A. grow to its present active membership of close to 6,000 in 177 affiliated clubs. She watched the bonspiel grow to its present average entry of more than 150. With the advent of Provincial Playdowns in the 1950's the M.L.C.A. grew by leaps and bounds.

Through the thirty-seven years from the founding of the M.L.C.A. to her passing in 1961, Mrs. W. A. Rowlands maintained close watch on the activities of our organization. We greatly appreciated her deep and abiding interest in curling. We shall miss her presence and timely comments at our annual banquets.

Thanks to the foresight and planning on the part of those charter members of the M.L.C.A. we now have a healthy active organization which will continue to grow.

LADIES' CURLING IN BRANDON

Ladies' Curling in Brandon reached another milestone in 1960 in celebrating their 25th Annual Bonspiel, which found many of our first members still active, namely, Mesdames M. Avery, F. Crane, W. Crane, P. Gray, E. MacFarlane, W. McGinnis, L. Rathwell, F. Richardson and M. Stuart, as well as many old friends from out of town. Mrs. Cosgrove of Oak Lake remembers there were nineteen entrants in the first bonspiel. The costumes at that time consisted of heavy skirts, bloomers, felt shoes and sweaters. Taking your own rocks to the 'spiels was a "must."

The first milestone — January 23, 1923, saw the organization of ladies' curling in Brandon when the Wheat City Ladies' Curling Club was formed with nineteen members present. Mrs. C. Spearin was elected President and M. Kirkcaldy was named Secretary. Among those initial members still resident in the city, are Mesdames S. Bertram, W. Bride, F. Crane, M. Gemmell, A. Hulme, F. Hurst, A. Reid, G. Williamson, and Miss V. Hales. Another well known curler was Mrs. Pinto Thompson, now residing at Sutherland, Sask.

As time went on, an evening group called "The Vogies" was formed.

The Wheat City Ladies' Curling Club carried on the bonspiels for five years. As enthusiasm increased, the Fort Brandon Ladies' Curling Club (which was re-named Ladies' Section Wheat City Curling Club) joined with the Wheat City Ladies to form the Brandon Bonspiel Committee.

The Brandon Ladies' Curling Club held its first meeting on October 1, 1952. They, too, joined the Bonspiel Committee which is now comprised of six members from each club.

Brandon curlers were among the first to advocate Dominion Curling Championships for ladies. When Eaton's Western Canada Ladies' Curling Champions were held in Brandon in 1958, curling was given a new objective.

Brandon has two Honorary Life Members in the M.L.C.A. Wilma Crane was honored in 1952 and Gertrude Sealey in 1954.

Many changes have taken place, and all are for the better. No longer do we sweep rocks over water-laden ice. We now boast of thirteen sheets of artificial ice. With the completion of the new Legion rink four more sheets will be available. Women's attire also has seen some drastic changes from the "woolies" and skirts to the now sleek outfits of the present day ice and broom enthusiasts.

We are very pleased to act as hostess to the Western Division Playdown Finals on February 1, 2 and 3, 1962. A cordial invitation is extended to attend our 26th Annual Bonspiel, March 5-8. This year will be our first with the Automatic Draw.

GENERAL BONSPIEL RULES

1. The number of draws each day will be decided and published by the Ice and Draw Committee of the Manitoba Ladies' Curling Association. All games shall be ten ends unless changed on the published draw sheets by the Ice and Draw Committee.

2. At starting times umpires shall give the starting signal, first in the waiting rooms, and immediately after on the ice. All rinks are to be on the ice upon which they are drawn to play at the time at which they are drawn to play.

3. If a competing rink is not on the ice ready to play when the signal is given and the opponents are ready to play, the umpire shall score against the late rink one point for every fifteen (15) minutes or fraction thereof it is late. Such penalty points are to be marked on score cards by umpires and must be considered in the total score of the game. Opponents of late rinks must accept points marked on score cards by umpires and on no account can these points be waived by mutual consent or otherwise. One end will be considered played for every point so scored.

4. In the event of both competing rinks being unready to play when the signal is given, the umpire will score one point for each rink and one end will be considered played for every fifteen (15) minutes or fraction thereof they are late.

5. When ten-end games are being played umpires will signal for completion of game at two hours and ten minutes after the start of each draw, and games must finish with the completion of the end being played, plus one more end, excepting any game which may be tied at the completion of that end. Such tie games are to proceed until a point is scored to decide the game. A rock must have been thrown by a player before an end can be said to be in progress of being played.

6. When six penalty points in a ten-end game have been scored against a rink in default for being late in accordance with the foregoing rules, the umpire shall immediately de-

clare the opposing rink the winner of that game and shall report accordingly, and the committee shall take that game as having been played.

7. The two vice-skips opposing each other shall settle by tossing a coin which rink shall lead in the first end actually played.

8. Rinks must play with the rocks provided on the sheet of ice. Under no circumstances will players be allowed to use their own rocks; nor can rocks be moved from one sheet to another.

9. Except for the first game in the bonspiel, if one player on a rink be not on hand at starting time, three players may proceed with the game in accordance with the Rules of the Game, paragraph (2). The player coming late may sweep as soon as she comes upon the ice, but cannot play her stone until after the completion of an end; with the following exceptions: A skip, third or second may play if she comes upon the ice before the lead has played more than two stones.

10. The Manitoba Ladies' Curling Association will insist that all curlers living within the jurisdiction of the Manitoba Ladies' Curling Association, in order to enter in the bonspiel, shall be members in good standing of an affiliated club, and wherever possible a rink should be composed of members of the same club. The Executive Council of Manitoba Ladies' Curling Association reserves the right to drop from bonspiel play and rink which is not composed fully of members in good standing of an affiliated club or clubs. A member in good standing is one who pays the annual dues set by that club for active playing.

11. Umpires shall use measuring sticks in general use at the club to determine whether or not a rock is a counter on outer ring.

12. Rinks entered in any competition must have four active players and go through the Open Events with the four named players as entered on the official entry form, subject to Rule 12 of Rules of the Game. No substitute shall be allowed.

13. Personnel of rink must be as entered on the official entry form and they shall play in the position fixed by the skip in the playing of the first end of any game. No change in position played shall be made once the game has started.

14. In the event of a rink becoming incapacitated through illness or unavoidable absence of any player, no substitute player may be entered but the three remaining players may continue to play. No sweeper is allowed for an absentee, and no rink will be allowed to continue with less than three players.

15. Unless otherwise provided in the Rules governing the competition or as set out by the Ice and Draw Committee, ten ends shall be played in each successive game, and in the event of the score being tied when ten ends have been played an extra end or ends shall be played until the winner is decided.

16. In the event of any disagreement between skips, the umpire shall be asked for a decision. In the event of his decision being disputed by either or both of the contestants (skips) the matter may be appealed to the Chairman of the Ice and Draw Committee and her decision shall be final.

17. The umpire at the close of each game shall, together with the losing skip, sign the score cards.

18. In the opening round of any bonspiel event will play as drawn regardless of the club to which they belong.

19. In connection with competition, where the question is raised as to whether a game is played or defaulted, it shall be understood that all games where six ends or more have been played the game shall be considered a played game and all games called prior to the completion of the sixth end by the Ice and Draw Committee shall be declared no contest and redrawn, the contestants to start from scratch on the new draw.

20. Where no specific rule is given to apply to competition, then the General Bonspiel Rules of the Manitoba Curling Association shall apply. Should any emergency arise during the time of the Bonspiel, the Ice and Draw Committee may change General Bonspiel Rules.

RULES OF THE GAME

1—4. Specifications of rinks.

5. All curling stones shall be of a circular shape. No stone including handle and bolt shall exceed 44 lbs. or of greater circumference than 36 inches, or less height than $\frac{1}{8}$ th part of its greatest circumference.

6. No stone shall be substituted for another (except under Rule 7 or Rule 17) after a match has started, but the sole of a stone may be reversed at any time during a match, provided the player be ready to play when his turn comes.

7. Should a stone be broken, the largest fragment shall be counted for the end—the player being entitled to use another stone or another pair, during the remainder of the match.

8. Any stone which rolls over, or comes to rest on its side or top, shall be removed from the ice.

9. Should the handle quit the stone in delivery, the player must keep hold of it, otherwise he shall not be entitled to replay the shot.

10. Every stone which does not clear the "hog line" shall be called a "hog" and must be removed from the ice, but no stone shall be considered a "hog" which has struck another stone lying in position. A stone coming to rest after passing the "back line" and being clear of it must be removed from the ice.

11. All matches shall be of a certain number of "ends" or "shots" or "by time" as may be agreed on or as fixed by an umpire at the outset. In the event of competitors being equal, play must be continued by all the rinks engaged for one or more ends as may be agreed on, or as may be "fixed" by the umpire until the match has been decided.

12. Every rink of players shall be composed of four a side, each player using two stones, and playing each stone alternately with his opponent. No player shall wear boots, tramps, or sandals with spikes or other contrivance which may break or damage the surface of the ice. The rotation of play observed during the first end of the match or game or competition shall not be changed. Any rink not having its full complement of four players shall be disqualified, except in the case of illness or accident during the competition. If the skip, the vice-skip or the second player is absent; the lead shall play four stones in the proper rotation as lead and second player. If the lead is absent, the second player shall play four stones in the proper rotation as lead and second player.

13. The skips opposing each other shall settle by lot or in any other way they may agree upon, which party shall lead at the first end, after which the winners of the preceding end including extra ends if any, shall do so.

14. The skip shall have the exclusive direction and control of the game for his rink, and may play last stone, or any position in the

RULES OF THE GAME (Con'd.)

games he pleases, but he shall not be entitled to change his position when that has been fixed. When his turn to play comes, he shall select one of his players to act as skip in his place, and take the position of an ordinary player. No other player may act as skip except the one so designated at the start of the match. The skip may return to the tee for consultation with the acting skip. Any consultation or discussion by the skip, other than with his vice-skip shall not be conducted in or behind the rings.

15. Players during the course of each end shall be arranged along the sides, but well off the centre of the rink, as the skips may direct; and no one except the playing party and his sweepers, shall go upon the centre of the rink. Skips and/or vice-skips may stand within the circle. The skip of the playing party shall have the choice of place, and shall not be obstructed by the other skip or vice-skip in front of or behind the sweeping line, but behind the sweeping line the privileges of both shall be equal. No other player than the skips acting for the time being may stand behind the circle while play is proceeding.

16. Each player must play from the hack and in the delivery of the stone, no part of the foot on which the player is sliding shall touch the nearest hog line. Left-handed players shall play from the hack placed on the right hand side of the centre line and right-handed players shall play from the hack placed on the left hand side of the centre line. No player may hold his stone and return to the hack for another delivery once the rock has crossed the nearest sweeping line. In the event of an infraction the rock shall be removed from the ice by the playing side.

Stones delivered from the wrong hack (or by a player, any part of whose foot on which he is sliding, shall have touched the nearest hog line) shall be removed from play by the playing side immediately after the player has delivered his stone. However, if the stone so played has come to rest or struck another stone, the played stone shall be removed and the displaced stone or stones be placed as nearly as possible where they originally were to the satisfaction of the opposing skip. Both skips should agree upon the position, but failing agreement the umpire shall decide.

17. Each player must be ready to play when his turn comes and must not take more than a reasonable time to play. Should a player play a stone belonging to the other side the stone which ought to have been played shall be put in its place.

18. If a player should play out of his turn the stone so played may be stopped in its progress and returned to the player. Should the mistake not be discovered until after the stone has come to rest or has struck another stone the end shall be continued as if it had been played properly from the beginning, but the missed stone shall be played by the player missing his turn as the last stone from his

RULES OF THE GAME (Con'd.)

side for that end. If after consultation with the rinks and the umpire or a neutral curler thoroughly conversant with the rules, it has been agreed that a stone has been missed and it is impossible to decide which player has missed playing the stone, the lead shall play the last stone for his side for that end.

19. The sweeping shall be under the direction and control of the skips. The players, party may sweep the ice from the sweeping line next to the player to the sweeping line at the other end and any stone set in motion by a played stone may be swept by the party to which it belongs in front of the sweeping line but behind the sweeping line both skips shall have equal rights as per Rule 15. Only the skip or vice-skip of each rink directing play at the time shall be allowed to sweep behind the sweeping line. When snow is falling or drifting the player's party may sweep the ice from hack to hack. The sweeping shall always be to a side and all sweepings shall be removed from the rink. At the conclusion of the end either of the skips may call upon all players to clean and sweep the entire rink. If objected to, this shall be subject to the approval of the umpire.

20. (a) If, in sweeping or otherwise, the course of a running stone be affected by any of the party to which it belongs, it shall be removed from play, by the playing side, but if by any of the adverse party, it shall be placed where the skip of the party to which it belongs shall direct. Should the position of any stones be altered by such affected stone the skip opposed to the party at fault shall have the sole right to replace them.

(b) Should any played stone be displaced before the end is reckoned, it shall be placed as nearly as possible where it lay, to the satisfaction of the skip opposed to the party displacing. If displaced by any other party, both skips should agree upon the position to which it is to be returned, but if they do not agree, the umpire shall decide.

21. All games shall be decided by a majority of shots. A rink shall score one shot or point for every stone which is nearer the tee than any stone of the opposing rink. Every stone which is not outside the outer circle shall be eligible to count. All measurements shall be taken from the tee to the nearest part of the stone. Disputed shots shall be determined by the acting skips; if they disagree, by the umpire; or when there is no umpire, by a neutral curler chosen by the skips. No measuring of stones shall be allowed previous to the termination of the end except by the umpire when necessary for the umpire to decide whether or not a stone is alive.

22. On appeal from any competing skip, in any competition the umpire or the committee appointed for the purpose shall have the right to declare whether or not the ice is playable. In every case of postponement to another day the competition when renewed must commence "de novo."

MANITOBA SILVER "D" PLAYDOWNS, 1961-1962

All competitors must be regular active playing members of their club for the current season. Rinks entering must have four players who are in good standing with their club. The Province shall be divided into two Divisions; namely, Western Division and Eastern Division. Each Division shall be sub-divided into eight District, according to geographical location.

All Clubs shall be placed in their respective Districts by the Playdown Committee. Each District shall play down to a winner. District winners from Districts I to VIII shall participate in the Eastern Division Finals and District winners from Districts IX to XVI shall participate in the Western Division Finals. They shall play down to a winner in their respective Divisions. The Division winners shall participate in the Dominion Silver "D" Championship (sponsored by Dominion Stores Limited), to be held in Winnipeg, February 9 and 10, 1962.

District Games must be completed and winners' names forwarded to the M.L.C.A. Secretary-Treasurer **BEFORE** January 22, 1962.

District Semi-final and Final Games shall be 10 ends. Where the question is raised as to how many ends have to be played to designate a game, it shall be understood that where six ends or more have been played, said game shall be considered as played. Any protests on ice conditions must be registered by the SKIP with the Umpire prior to the completion of the sixth end. In the event that the Umpire's decision is disputed by either or both Skips, the may be appealed to the Chairman of the Playdown Committee and her decision will be final. Score cards are to be used in all games, and shall be signed at the end of the game by both Skips and handed to the Umpire.

To assist the Playdown Committee, each District taking part in the Playdowns shall appoint a District Chairman to act for her District, to take charge of her District Draw, to arrange for her District Games to be completed and to act as District Umpire for these games. In addition, each District shall appoint a Vice-Chairman, who shall NOT be a member of the same club as the District Chairman. Where a large District has been sub-divided into two sections, the Vice-Chairman shall be appointed from the section not represented by the District Chairman, and shall discharge the duties for the Chairman in her section of the District. In the absence of the District Chairman, the District Vice-Chairman shall take her place and discharge the duties of her position in the District. These appointments should be made for a two-year term, at the time of the District Meeting.

The District Chairman shall be responsible for a full report on Playdown activities in her District. This report is to be submitted **in writing** to the Chairman of the Playdown Committee immediately following the completion of the District Games. Reports from Districts I to VIII will be presented at the Eastern Division Meeting (at Transcona in 1962). Reports

from Districts IX to XVI will be presented at the Western Division Meeting (at Brandon in 1962).

One substitute will be allowed in case of illness or accident or a justifiable reason, but the name of the substitute must be given when the four names of the District winning rink are sent to the M.L.C.A. Secretary-Treasurer prior to January 22, 1962. Any four of the five players may play wherever you wish to place them at the District level. The substitute MUST be a regular active playing member in good standing of the winning rink's club.

In the Silver "D" Championship to be held in Winnipeg on February 9 and 10, 1962, no substitution will be permitted after the competing rinks have actually commenced play. In the event that illness or accident compel the skip, third or second to retire, the lead shall play four stones. If the lead shall be compelled to retire, the second shall play four stones. Should the incapacitated player resume play, each player shall return to her original position.

The Dominion Silver "D" Champion rink shall hold the Dominion Silver "D" Trophy for one year. The Dominion Silver "D" Champion rink shall be eligible to represent Manitoba in the competition for the Canadian Ladies' Curling Association Championship, the Dominion Diamond "D".

In the event that the winning rink is unable to represent Manitoba in the Dominion Diamond "D" Championship, the M.L.C.A. Executive shall declare the runner-up as the Provincial representative.
